About Community Christian Concern (CCC)

CCC helps those individuals with immediate needs, requiring short term solutions.

Assistance can take the form of food, clothing, emergency shelter, prescription assistance, emergency travel, or personal items. We also are the home of the Miramon Center, a transitional housing program for men.

CCC was created in 1983 as a centralized assistance agency for the Slidell area.

Since opening in 1983, CCC has touched the lives of over 250,000 people.
